

# PETIT GLEON

## RED- VINTAGE 2015

CHATEAU  
*Haut Gléon*

*Pays d'Oc – Indication Géographique Protégée*

One day, someone brought out a bottle of Petit Gléon for the aperitif and smiles lit up our faces. As it was passed around from hand to hand, comments and questions came from all sides. It shone a ray of sunlight into our minds and tongues were untied. What kind of a place could produce a wine of such great personality? Château Haut Gléon? In that case, we'll need to go there to see for ourselves...

Spirited, lively and just a tiny bit rebellious, Petit Gléon is a colourful take on the style of its elders from Château Haut Gléon, offering an easy-drinking wine that makes the perfect companion for all those special moments together... Enjoy whenever you want, wherever you want and, if possible, in good company!
